#### Whole Frozen Turkeys- NIS 46.90 per kg:

Generally ranging in size from 6-10kg. Please note that, while we try our best to provide turkeys at the requested weights, sometimes this is not possible.

**Please note that whole turkeys (raw or roasted) need to be ordered by November 14<sup>th</sup> to ensure that they arrive in time for Thanksgiving.**

If you are planning on roasting your turkey on Thursday, we recommend taking it home to begin defrosting with plenty of time to spare.

A 6-8kg turkey takes 2-3 days to defrost completely in the fridge, or about 8 hours immersed in cold water (the water will need to be changed every 30 minutes), so please plan accordingly.
