

Dear Customer

For security reasons, the computer used to enter stock can't be connected to a website at this time, and so the list of products we carry has to be updated manually. We will try to do so regularly, but can't guarantee that every item featured here is currently in stock, plus there may be a shekel or two variation in prices on occasion.

This list does, however, give you an overview of some of our bestsellers and further details/stock availability/final price can be confirmed on ordering.

Feel free to place orders via email on meatland@barak.net.il, by phone on 09 741 0881, or via the Meatland Facebook page. Be sure to include your telephone number for confirmation and payment details.

Door to door delivery via courier is available. We work with an independent courier who charges based on distance. See below for examples of typical charges. Contact us for a price on delivery to your area if it doesn't appear in the list.

Raanana NIS 22
Hod Hasharon/Kfar Saba NIS 30
Herzliya NIS 30
Herzliya Pituach NIS 45
Tel Mond NIS 70
Netanya NIS 90
Petach Tikva NIS 90
Tel Aviv NIS 100
Karnei Shomron NIS 105
Modiin NIS 170

Dry goods may also be mailed at NIS 50 for up to 20 kg.

Sharing a delivery with a friend – and halving delivery costs – is perfectly OK. However, the order would have to be submitted as a single order, and paid for with one credit card. Having two separate orders dropped off at one location at a single delivery price is not possible.

New arrivals are announced via our weekly newsletter along with news of sales and special discounts for Meatland members. Sign up for the list by dropping us a line at meatland@barak.net.il with 'subscribe' in the subject line.

Please let us know how we can best serve you.
