Whole Frozen Turkeys - NIS 39.90 per kg:

Generally ranging in size from 5 to 9kg. Please note that, while we try our best to provide turkeys at the requested weights, sometimes this is not possible.

If you are planning on roasting your turkey on Thursday, we recommend taking it home to begin defrosting with plenty of time to spare.

A 5-7 Kg turkey takes 2-3 days to defrost completely in the fridge, or 5-8 hours immersed in cold water (the water will need to be changed every 30 minutes), so please plan accordingly.
