You will be contacted and informed of your delivery window in the days prior to delivery, and charged by credit card when your order is packed.

A deposit of 50 shekels will also be taken at the time that delivery orders are confirmed, which will be subtracted from the cost of your total order when it is sent out for delivery.

General Information:

Orders can be picked up in-store on **Thursday September 17th**. In an effort to streamline distribution and reduce waiting times, we will be assigning specific windows for each order to be picked up when confirming your order.

Please note orders are **not confirmed unless you have spoken to a member of our orders team**. You should receive a telephone call within 3 business days of placing your order. **It is essential that you contact us if you have not received a confirmation call or email** within this time to ensure that your order has been safely received.
