If you would like to have your order delivered, please place your order as soon as possible as there is a **strict limit** to how many delivery orders we can accept. The cost of delivery is dependant on your location, and will be confirmed on receipt of your order.

The week prior to delivery you will be called and sent a text or WhatsApp message to confirm the expected time and date of delivery.

Please note that whilst every effort will be made, we work with an independant contractor to make our deliveries and may not always be able to accommodate specific individual requests in regards to delivery scheduling and timing.

Delivery policies:

A non-refundable deposit of 50 shekels will be taken at the time that delivery orders are placed, which will be subtracted from the cost of your order when it is packed for delivery.

General Information:

Orders can be picked up in-store by arrangement all day **Thursday March 25th** or 9am-3pm **Friday March 26th**.

It is essential that you **contact us if you have not received a confirmation call within this time** to ensure that your order has been safely received.

The majority of our Pesach menu is flash frozen as soon as it is made to ensure maximum freshness and quality for you at home. If you would like to know which items this applies to, please ask when confirming your order with the kitchen.

While we will be accepting orders up until March 1st, please be aware that **some menu items are made in limited quantities**, and will be allocated on a first come, first served basis. To avoid disappointment we encourage you to place your order as early as possible.
